Some of the following categories accept composites. A composite is defined as a sampling of segments or elements of a production that can represent the production to a panel of judges. This sampling conveys the scope, breath and/or range of the production. A demo reel is not a composite. A straight lift from a production can be a sampling, but there must be no editing within the lift.

JUDGING AND EVALUATION: Programs are judged on three criteria: Content, Creativity and Execution on a 10-point scale (maximum 30 points); and craft entries are judged on two criteria: Creativity and Execution for (maximum 20 points). Judging panels are to be made up of professional peer judges. All entries will be judged against a standard of excellence and will not compete with each other. Judges have the option of including constructive comments or feedback, to be returned to the student's faculty advisor.

NOTE: *High School entries are judged in a separate contest from College entries. The scores produced by these two panels are not combined; instead the scores are interpreted separately for final "cut-off" evaluation.*

PAYMENTS: Each entry requires an accompanying processing fee of \$45.00, payable by check, VISA, MasterCard or American Express. Checks should be made payable to **NATAS Suncoast Chapter**, and mailed to:

VIDEO UPLOAD STEP-BY-STEP:

NOTE: You can only upload 1 video entry at a time.

STEP 1:

VERIFY THE ENTRY YOU WILL BE UPLOADING

Make sure you have your *e-mail Copy of your Entry*. This is where you will reference your Entry ID number and submitter's e-mail. Both are ESSENTIAL to begin the uploading process. The e-mail also includes a link to upload your video if needed.

On this first page you need to:

- Select the entry category from the drop down box.
- Enter the ENTRY ID Number.
EXAMPLE: H-02-04.
H-02 is the category and 04 is the entry number.
- Enter the submitter's e-mail address that was provided on the entry form.
- Select Box that you agree to the terms of uploading video.

STEP 2:

REVIEW VIDEO FILE UPLOAD INFORMATION

After reading through the instructions on the page and confirming your entry information in the box at the bottom, click on Proceed to Upload Video.

- Select your video from your computer files by browsing. Be sure you are uploading the correct file type.
- Click on UPLOAD
The Screen will change to show a status bar indicating where the video is in the upload process. Wait for video to upload. Depending on the size of your file it should only take a couple of minutes, however, the longer the entry, the longer the upload process.

IMPORTANT: DO NOT CLOSE THE BROWSER UNTIL THE UPLOAD IS COMPLETE.

DO NOT REFRESH THE PAGE OR CLICK THE "BACK" BUTTON ON YOUR BROWSER.

*If you do so, you will need to re-start the upload process.

Video Encoding In-Progress

- Once uploaded, the screen will change for encoding. The status will indicate "processing" until the video is "ready." (This process will take on average about 2 minutes for each minute of video to complete the required encodings for judging but can take considerably longer if the server has a backlog of encoding.)
- You can keep your browser open while the video is processing; or, you can use the link at the bottom of the page to monitor the encoding process (a new tab/page will open in your browser); or, you can close your browser at this point and return later to finish the approval process.
- When the status shows "ready," click on the thumbnail or "click here to play video" link to play the video. Watch all the way through. What you see is what the judges will see.
**If the link does not appear, there was an encoding problem.*
- After watching your video, click on the "Approve or Disapprove Video" link.

STEP 3:

COMPLETE THE UPLOAD

- If the video uploaded and played properly and you approve, select Approve.
- CLICK FINISH
- If you do not approve - select "Reject and Delete." Your video will be deleted and you can upload your video entry again.
- You have 3 opportunities to upload and approve your video. Once approved, or you've uploaded your video 3 times, you will not be able to upload again unless you contact the office to have options reset so you can complete the process. Contact info for reset: Karla MacDonald, emmysuncoast@gmail.com or 954-322-3171.

***IMPORTANT: Your video is NOT available to the judges until you approve it!**

You will receive an e-mail confirmation once you have completed the upload and approved your video. Your entry is now ready to be judged.
