PURPOSE: To recognize outstanding student achievements in production by conferring awards of merit in the chapter's designated award region. The presentation of these awards is intended to be an incentive for the continued pursuit of excellence by those studying media and journalism and to focus public attention on outstanding cultural, educational, technological, entertainment, news and informational achievements by high school students.

ELIGIBILITY PERIOD: All entries must have been originally produced within the Suncoast Region that includes the State of Florida, the State of Louisiana, the Mobile-Pensacola market area and Puerto Rico in the period of time from February 1, 2018 to January 31, 2019.

ENTRY DEADLINE: MARCH 1, 2019

ELIGIBILITY:

1. Programs or program segments conceived, produced and executed by students at a high school or technical/vocational school within the chapter's designated award area are eligible for student award consideration.
2. Returning students who previously worked, as professionals, are not eligible.
3. **No professional services may have been employed in the production of the entry.**

6. Students may enter work that was produced as a class assignment, extra-curricular assignment or in conjunction with their academic experience.
7. Students who perform professional work may enter their work in the professional awards competition, provided they meet all eligibility requirements.
8. No entry may be submitted to more than one chapter's awards.
9. The entry does not need to have been broadcast, cablecast or webcast to be eligible.
10. Entries must be submitted as they were originally transmitted.
11. There may not be any post-broadcast changes, except edits for time, as noted on the category descriptions that follow.
12. There is no limit to the number of entries a school may submit in each category.
13. Pornographic, violent, defamatory or offensive material is not accepted. The interpretation of the Awards Committee is final and absolute.
14. Ineligible entries may be disqualified during any phase of the competition.

STUDENT PRODUCTIONS: Students are not considered peer professionals and as such, their regional student productions are not eligible for Emmy® award recognition. If material is produced as part of a class, for which school credit is received, they are considered a student. If they are paid or working on a project with other "professionals," and want to enter the Chapter's Emmy® Award competition, they cannot enter as a student, but instead must pay the appropriate entries fees as an active NATAS member (or non-member). The student is then prohibited from entering subsequent student production categories with other classmates. Student award recipients from any NATAS Chapters' high school competitions may not use the Emmy® name or replica of the Emmy® figure in any form of commercial advertising or promotion for their recognition.

INTENTIONAL FALSIFICATION: The student advisor warrants that they are the party most responsible for verifying the eligibility requirements have been met. The intentional falsification of production credits or entry credits may be the basis for disqualification.

The Suncoast Chapter shall accept all submissions that are not in conflict with any of its rules and regulations. Ineligible entries may be disqualified at any stage of the competition. Pornographic, violent, defamatory or offensive material and/or language will not be accepted. Entries that contain language or situations that are not acceptable in a television station's programming will not be accepted. The ruling of the Chapter is final and absolute.

ENTRY ERRORS AND OMISSIONS: The National Academy of Television Arts & Sciences Suncoast Chapter assumes no responsibility for the acts or omissions of those individuals or entities submitting entries pursuant to this notice. All submitting entities and/or individuals are advised to review submissions with respect to correct name credits and other information. The Suncoast Chapter shall accept all submissions that are not in conflict with any of its rules and regulations.

JUDGING AND EVALUATION: Programs are judged on three criteria: Content, Creativity and Execution on a 10-point scale (maximum 30 points); and craft entries are judged on two criteria: Creativity and Execution for (maximum 20 points). Judging panels are to be made up of professional peer judges. Judges have the option of including constructive comments or feedback, to be returned to the student's faculty advisor.

ENTRY SUBMISSIONS: The school where the work was produced must submit each entry and the faculty advisor submitting the entry must sign the entry form. There is no limit to the number of entries a school may submit. The National Academy of Television Arts & Sciences Suncoast Chapter reserves the right to corroborate any information on an entry form, to combine duplicate entries, or to disqualify an entry. All entries are subject to approval by the Suncoast Chapter.

Submission of an entry to the Suncoast Student Production Awards constitutes permission for the The National Academy of Television Arts & Sciences Suncoast to telecast or screen the entry and to webcast the entry, or portions of the entry.

LANGUAGE(S): Entries in English will be judged by English-speaking professionals. Entries in Spanish will be judged by Spanish-speaking professionals. Entries in other languages may be entered, however, judging of these entries is subject to the availability of qualified judges who speak the language of the entry. We recommend that entrants in languages other than English or Spanish submit an English-language translation of the narration track.

NOTE: Please indicate the language of the entry on the Entry Form.

ORIGINAL MATERIAL: At least two-thirds of an entry must consist of original material, unless previously produced material has been given some unique and creative treatment. Entrants must specifically identify and give credit to all non-original material included in the entry. This includes music use.

Some of the categories accept composites. A composite is defined as a sampling of segments or elements of a production that can represent the production to a panel of judges. This sampling conveys the scope, breath and/or range of the production. A demo reel is not a composite. A straight lift from a production can be a sampling, but there must be no editing within the lift.

AWARDS: For winning entries, the Award (an engraved crystal pillar) is presented to the sponsoring high school. Students responsible for winning and nominated productions will each receive certificates. Following the distribution of the awards, duplicate awards (crystal pillars) with individual student names will be available at a cost of \$125 for high school students.

NOTE: Regional NATAS high school winners will automatically advance to a national competition. Those honorees will be announced at a live event to be scheduled in the fall of 2019. For more information visit the National website: <http://emmyonline.org/nationalstudent>

RESTRICTION ON THE USE OF EMMY® MARK: Schools may refer to the fact that they are recipients of a NATAS Student Production Award, but may not use the Emmy® name or replica of the Emmy® figure in any form of commercial advertising or promotion.

FEES: Each entry requires an accompanying processing FEE of \$45.00, payable by check, VISA, MasterCard or American Express. Checks should be made payable to NATAS Suncoast Chapter, and mailed to: Karla MacDonald, NATAS Suncoast Chapter, PO Box 840738, Pembroke Pines, FL 33084. This fee is non-refundable. VIDEO UPLOAD STEP-BY-STEP:

NOTE: You can only upload 1 video entry at a time.

STEP 1:

VERIFY THE ENTRY YOU WILL BE UPLOADING

Make sure you have your *e-mail Copy of your Entry*. This is where you will reference your Entry ID number and submitter's e-mail. Both are ESSENTIAL to begin the uploading process. The e-mail also includes a link to upload your video if needed.

On this first page you need to:

- Select the entry category from the drop down box.

- Enter the submitter's e-mail address that was provided on the entry form.
- Select Box that you agree to the terms of uploading video.

STEP 2:

REVIEW VIDEO FILE UPLOAD INFORMATION

After reading through the instructions on the page and confirming your entry information in the box at the bottom, click on Proceed to Upload Video.

- Select your video from your computer files by browsing. Be sure you are uploading the correct file type.
- Click on UPLOAD
The Screen will change to show a status bar indicating where the video is in the upload process. Wait for video to upload. Depending on the size of your file it should only take a couple of minutes, however, the longer the entry, the longer the upload process.

IMPORTANT: DO NOT CLOSE THE BROWSER UNTIL THE UPLOAD IS COMPLETE.

DO NOT REFRESH THE PAGE OR CLICK THE “BACK” BUTTON ON YOUR BROWSER.

**If you do so, you will need to re-start the upload process.*

Video Encoding In-Progress

- Once uploaded, the screen will change for encoding. The status will indicate “processing” until the video is “ready.” (This process will take on average about 2 minutes for each minute of video to complete the required encodings for judging but can take considerably longer if the server has a backlog of encoding.)
- You can keep your browser open while the video is processing; or, you can use the link at the bottom of the page to monitor the encoding process (a new tab/page will open in your browser); or, you can close your browser at this point and return later to finish the approval process.
- When the status shows “ready,” click on the thumbnail or “click here to play video” link to play the video. Watch all the way through. What you see is what the judges will see.
**If the link does not appear, there was an encoding problem.*
- After watching your video, click on the “Approve or Disapprove Video” link.

STEP 3: COMPLETE THE UPLOAD

- If the video uploaded and played properly and you approve, select Approve.
- CLICK FINISH
- If you do not approve - select "Reject and Delete." Your video will be deleted and you can upload your video entry again.
- You have 3 opportunities to upload and approve your video. Once approved, or you've uploaded your video 3 times, you will not be able to upload again unless you contact the office to have options reset so you can complete the process.
