SUNCOAST CHAPTER

Virtual Awards Presentation | July 10, 2021 | 5:00PM

The Student Production Awards Committee and the Board of Governors of the Suncoast Chapter of the National Academy of Television Arts & Sciences welcome you to the

3rd Annual Suncoast Student Production Awards

Saturday, July 10, 2021
Virtual Awards Presentation
5:00 pm

The Suncoast Student Production Awards recognize outstanding student achievements in production by conferring awards of merit in the chapter's designated award region of the entire State of Florida, Alexandria, Baton Rouge, Lafayette, Lake Charles and New Orleans, Louisiana, Mobile, Alabama, Thomasville, Georgia and Puerto Rico.

The Suncoast Chapter of The National Academy of Television Arts & Sciences, is a nonprofit Florida corporation dedicated to excellence in television. We support future television industry professionals by recognizing the talent and efforts of college and high school students in our region with Student Production Awards. The presentation of these awards is intended to be an incentive for the continued pursuit of excellence by those studying media and journalism and to focus public attention on outstanding cultural, educational, technological, entertainment, news and informational achievements by undergraduate college/university and/or high school students.

We also provide financial support for college and high school seniors by granting scholarships annually. In April of 2021, we granted \$87,100 to 23 qualified students.

The Suncoast Student Production Award entries are judged against a standard of excellence and not against each other. **There may be one recipient, more than one recipient or no recipient in a given category. There may be occasions in which there are nominees and no recipients.**

The Suncoast Chapter of the National Academy of Television Arts & Sciences 2021 Suncoast Student Scholarship Recipients

The Suncoast Chapter Scholarship Committee, under the direction of Scholarship Chairman Claudia Keppinger, interviewed Suncoast Regional Students in Broadcasting and Television in April, 2021. The Suncoast Chapter granted \$87,100 to 23 qualified students. Congratulations to these outstanding students.

Notably, prior to his death, Bob Behrens, Executive Director of the Suncoast Chapter, was committed to assisting students. It was his vision for the Chapter to award scholarships to deserving students of communication and/or broadcasting in the Suncoast region each year. In continuing his legacy, the Suncoast Chapter offers scholarships to graduating high school seniors and to college and university students who reside within the Suncoast Region, which includes the State of Florida, the State of Louisiana, the Mobile-Pensacola Market area, and Puerto Rico. In order to be eligible, students must plan to attend or currently attend a four-year college or university in the Suncoast Region and must have a declared major in Communications/Broadcasting with a concentration in television.

"Every year, the NATAS Suncoast Chapter strives to contribute to the education of innovative, high-achieving deserving students," said Claudia Keppinger, Suncoast Scholarship Awards Chair and Board of Governor. "It is a privilege and an honor to be part of such an important process that will have an impact on the lives of the students as well as the future of the industry."

This year, the NATAS Suncoast Chapter is also honored to contribute \$10,000 to the Bernie Rosen Memorial Endowment Scholarship in Communications at the University of Miami. Bernie Rosen was a pioneer of local television in South Florida. He founded the WTVJ Sports Department and, under his guidance as Sports Director, generated the most important in-depth news coverage of local sports. One of his proudest achievements was mentoring countless interns from the University of Miami and other schools, a great number of whom went on to rewarding and distinguished television and radio careers.

"Part of the mission of our Suncoast Chapter is to provide resources and support for the next generation of professionals in our industry," said Barbara Alfonso, NATAS Suncoast Chapter President. "Our Chapter is so pleased to also be able to make a contribution to the Bernie Rosen Memorial Endowment Scholarship in Communications at the University of Miami, which further aligns with the significance mentorship had in Bernie's career and life legacy."

Eligibility requirements can be found on the NATAS Suncoast Chapter website. High School students are encouraged to apply [here](#) and College students can find the application [here](#).

The idea for the SPA Suncoast Spotlight webinar series emerged as we identified the need to help prepare College/University and High School seniors for a future in broadcast journalism. These webinars offer useful and constructive conversations and we're confident students find them to be a valuable addition to their education.

Topics have included *Ethics in Journalism*, *Resumes*, *Cover Letters & Reels*, *Reputable Reporting*, *Social Media*, *Podcasting 101*, and *Mobile Journalism*. Join us this September as we continue these informative webinars and in case you missed them, watch them again on our YouTube Channel, [Suncoast Emmy Awards](#).
