SUNCOAST CHAPTER

COLLEGE RULEBOOK FOR 2024

ELIGIBILITY PERIOD:
February 1, 2023 to January 31, 2024

ENTRY DEADLINE:
March 1, 2024

The Suncoast Student Production Award encourages the pursuit of excellence in video production and focuses public attention on outstanding achievements produced by college/university students.

Students listed on the entry form for Suncoast Student Production Awards must have been enrolled in an accredited college/university within the Chapter boundaries at the time of production and completion of his/her piece within the eligibility period.

STUDENT EXPRESS - ONLINE ENTRY PROCESS: The entire Suncoast Student Production Award process is online. Submit your entry information, upload your video for judging and even pay the entry fee (if paying by credit card) from any computer with internet access – all in a secure environment.

STANDARD RULES AND REGULATIONS

THE NATIONAL ACADEMY OF TELEVISION ARTS & SCIENCES

NATAS is a professional service organization dedicated to the advancement of the arts and sciences of television and related media and the promotion of creative leadership for artistic, educational and technical achievements within the television industry, best known for the coveted Emmy® Award.

PURPOSE

To recognize outstanding student achievements in production by conferring awards of merit in the chapter's designated award region. The presentation of these awards is intended to be an incentive for the continued pursuit of excellence by those studying media and journalism and to focus public attention on outstanding cultural, educational, technological, entertainment, news and informational achievements by undergraduate college students.

ELIGIBILITY PERIOD:

All entries must have been originally produced within the Suncoast Region that includes the State of Florida, the State of Louisiana, the Mobile-Pensacola market area and Puerto Rico in the period of time from **February 1, 2023 to January 31, 2024**.

NOTE: There may be one recipient, more than one, or no recipient in a given category.

NOTE: No names may be added after nominations are announced.

NOTE: Advisors' names MUST be listed as the first entrant(s) on the entry form.

ENTRY DEADLINE: MARCH 1, 2024

STANDARD RULES AND REGULATIONS

ELIGIBILITY

1. Projects conceived, produced and executed by students at a university, college or technical/vocational school within the Chapter's designated awards region are eligible for student award consideration.
2. Returning students who previously worked, as professionals, are not eligible.
3. **No professional services may have been employed in the production of the entry.**
4. Faculty involvement can only be advisory.
5. **Entrants must be enrolled as a full-time student during the eligibility period.**
6. Students may enter work that was produced as a class assignment, extra-curricular assignment or in conjunction with their academic experience.
7. Students who perform professional work may enter their work in the professional awards competition, provided they meet all eligibility requirements.
8. No entry may be submitted to more than one chapter's awards.
9. The entry does not need to have been broadcast, cablecast or webcast to be eligible.
10. Entry videos must be as they were originally submitted to their advisor. There may not be any edits to the originally completed video except for edits to bring the entry length within the specified category time limit. When editing for time, use only straight cuts with one second of black to denote where content has been removed.

11. There is no limit to the number of entries a school may submit in each category.
12. Pornographic, violent, defamatory or offensive material is not accepted. The interpretation of the Awards Committee is final and absolute.
13. Ineligible entries may be disqualified during any phase of the competition.

STUDENT PRODUCTIONS

Students are not considered peer professionals and as such, their regional student productions are not eligible for Emmy® award recognition. If material is produced as part of a class, for which school credit is received, they are considered a student. If they are paid or working on a project with other “professionals,” and want to enter the Chapter’s Emmy® Award competition, they cannot enter as a student, but instead must pay the appropriate entries fees as an active NATAS member (or non-member). The student is then prohibited from entering subsequent student production categories with other classmates.

ENTRY SUBMISSIONS

A teacher, professor or advisor must approve the entry even if the student handles the submission or upload process themselves. There is no limit to the number of entries a school may submit. The National Academy of Television Arts & Sciences Suncoast Chapter reserves the right to corroborate any information on an entry form, to combine duplicate entries, or to disqualify an entry. All entries are subject to approval by the Suncoast Chapter.

ORIGINAL MATERIAL

At least two-thirds of an entry must consist of original material, unless previously produced material has been given some unique and creative treatment. Entrants must specifically identify and give credit to all non-original material included in the entry. This includes music use.

LANGUAGE(S)

Entries in English will be judged by English-speaking professionals. Entries in Spanish will be judged by Spanish speaking professionals. Entries in other languages may be entered. Judging of these entries is subject to the availability of qualified judges who speak the language of the entry.

NOTE: The Suncoast Chapter requires subtitles on all non-English entries for Student Production Awards.

DOUBLE DIPPING

No single entry may be submitted in its entirety in more than one Programming category. The same student may not be listed on more than one entry for doing the same job using the same work. If a student was responsible for more than one role, they submit the video in the appropriate craft categories to be judged for that particular craft (i.e. writer, editor, etc.).

ENTRY ERRORS AND OMISSIONS

The National Academy of Television Arts & Sciences Suncoast Chapter assumes no responsibility for the acts or omissions of those individuals or entities submitting entries pursuant to this notice. All submitting entities and/or individuals are advised to review submissions with respect to correct name credits and other information. The Suncoast Chapter shall accept all submissions that are not in conflict with any of its rules and regulations.

INTENTIONAL FALSIFICATION

The faculty advisor warrants that they are the party most responsible for verifying that eligibility requirements have been met. The intentional falsification of production credits or entry credits may be the basis for disqualification.

FEES

While a fee to cover administrative expenses may be charged, **there may be no individual student entry fees.** Membership is not a requirement for advisors or entrants.

Each entry requires an accompanying processing FEE of \$45.00, payable by check or credit card (VISA/MasterCard/AMEX). Make checks payable to NATAS Suncoast Chapter.

Mail to: **Karla MacDonald, PO Box 840738, Pembroke Pines, FL 33084.**

This non-refundable fee **MUST** be paid by school or sponsoring organization ONLY.

JUDGING AND EVALUATION

Programming Categories are judged on three criteria: content, creativity and execution on a 10-point scale (maximum 30 points); and Craft Categories are judged on two criteria: creativity and execution (maximum 20 points). Judging panels are to be made up of qualified professional judges. Judges have the option of including constructive comments or feedback, to be returned to the student's faculty advisor.

AWARDS

A crystal pillar is awarded to the college/university for entries validated by a professor or advisor. Students responsible for the production, will each receive a certificate. Pillars may be purchased for students listed on winning entries after the awards at a cost of \$145.

RESTRICTION ON THE USE OF EMMY® MARK

Schools may refer to the fact that they are recipients of a NATAS Student Production Award, but may not use the Emmy® name or replica of the Emmy® figure in any form of commercial advertising or promotion.

Submission of an entry to the Suncoast Student Production Awards constitutes permission for The National Academy of Television Arts & Sciences Suncoast Chapter to telecast or screen the entry and to webcast the entry, or portions of the entry.

UPLOADING YOUR VIDEO STEP-BY-STEP

(You can only upload 1 video entry at a time).

STEP 1:

VERIFY THE ENTRY YOU WILL BE UPLOADING

Make sure you have your e-mail Copy of your Entry. This is where you will reference your Entry ID number and submitter's e-mail. Both are ESSENTIAL to begin the uploading process. The e-mail also includes a link to upload your video if needed.

On this first page you need to:

- Select the entry category from the dropdown box.
- Enter the ENTRY ID Number.
- Enter the submitter's e-mail address that was provided on the entry form.
- Select **Language** – English or Spanish.
- Select Box that you agree to the terms of uploading video.

STEP 2:

REVIEW VIDEO FILE UPLOAD INFORMATION

After reading through the instructions on the page and confirming your entry information in the box at the bottom, click on Proceed to Upload Video.

- Select your video from your computer files by Browsing. Be sure you are uploading the correct file type.
- Click on UPLOAD.

The Screen will change to show a status bar indicating where the video is in the upload process. Wait for video to upload. Depending on the size of your file it should only take a couple of minutes, however, the longer the entry, the longer the upload process.

IMPORTANT: DO NOT CLOSE THE BROWSER UNTIL THE UPLOAD IS COMPLETE.

DO NOT REFRESH THE PAGE OR CLICK THE "BACK" BUTTON ON YOUR BROWSER.

*If you do so, you will need to re-start the upload process.

Video Encoding In-Progress

- Once uploaded, the screen will change for encoding. The status will indicate "processing" until the video is "ready." (This process will take on average about 2 minutes for each minute of video to complete the required encodings for judging but can take considerably longer if the server has a backlog of encoding.)

- You can keep your browser open while the video is processing; or, you can use the link at the bottom of the page to monitor the encoding process (a new tab/page will open in your browser); or, you can close your browser at this point and return later to finish the approval process.
- When the status shows “ready,” click on the thumbnail or “click here to play video” link to play the video. Watch all the way through. What you see is what the judges will see.
*If the link does not appear, there was an encoding problem.
- After watching your video, click on the “Approve or Disapprove Video” link

STEP 3:

APPROVAL

- If the video uploaded and played properly and you approve, select Approve.
- CLICK FINISH.
- If you do not approve - select “Reject and Delete.” Your video will be deleted and you can upload your video entry again.
- You have 3 opportunities to upload and approve your video. Once approved, or you’ve uploaded your video 3 times, you will not be able to upload again unless you contact the office to have options reset so you can complete the process.
- Contact info for reset: Karla MacDonald, emmysuncoast@gmail.com or 954.322.3171.
- ***IMPORTANT: Your video is NOT available to the judges until you approve it!**

You will receive an e-mail confirmation once you have completed the upload and approved your video. Your entry is now ready to be judged.
